

Summer Safety Programs 2010

Monday through Friday -- June 14 through August 13

- ❑ Daily Class Times: 9:00 A.M., 10:30 A.M. & 1:30 p.m.
- ❑ Each class is approximately 1 hour (Babysitter is 2hrs)
- ❑ Each class includes hands-on activities & time in the out-door town.
- ❑ Classes are open to the public and available for individuals as well as community groups and daycares
- ❑ All programs are FREE of charge.
- ❑ Advance Registration is necessary as class size is limited.
- ❑ Classes are designed for students who have completed Kindergarten through fifth grades.
- ❑ Pre-School Groups are offered Safe & Sound Walk Around Educational Tours in lieu of a classroom programs.

BASIC FIRST AID

Every other
Monday

Students learn basic methods of applying first aid. From removing a bee's stinger to making a first aid kit, children will leave with skills that will enable them in most minor emergency situations.

Frisco Fire Safety Town

8601 Gary Burns Drive
Frisco, TX 75034

(972) 292-6350

(972) 292-6359 Fax

Hours: Mon-Fri
8:00 a.m. to 5:00 p.m.

*** Registration Starts May 15***

WATER SAFETY

Every other
Monday

Students will learn why wearing life jackets, swimming with a buddy and water safety smarts are important skills. A variety of 'water' situations are discussed. (No water activities.)

OUTDOOR SAFETY

Every other
Tuesday

Learn which areas outside your home could hold hazards for you or your family. During class, students will try and find all the unsafe conditions we have preset outdoors.

BABYSITTER SAFETY

Every
Wednesday
Afternoon

A special two-hour class for those 10+ yrs old. Students learn safe types of play for children and responses to emergency situations babysitters may encounter while watching young children.

HOME & LIFE SAFETY

Every other
Tuesday

Students are shown what injuries most often occur inside their home, how to find unsafe areas and what they can do to prevent accidental injuries from happening to them or their family.

FIRE SAFETY

Every other
Thursday

Learn what to do in case a fire starts in your home! Students will use what they learned during class to 'escape' from a bedroom window.

BICYCLE & WHEEL SAFETY

Every Friday
Morning

Students learn why helmets are needed for both children and adults while riding anything with wheels. Children may use our 20" or 24" bikes & helmets or choose to bring their own.

SEVERE WEATHER SAFETY

Every other
Thursday

Learn the difference between a severe weather watch and a warning. Students will also practice seeking shelter in case severe weather strikes during a video tornado simulation.
